## Prayer for Healing for Victim-Survivors of Abuse

*God of all consolation,  
By your Son's death and resurrection  
the evil of this world was overcome by love.  
Through your gentle protection and care,  
grant to all victims of sexual abuse  
healing in body, mind and soul.  
Give them your grace and your peace  
as they continue their journey to you.*

*We thank you for the courage shown by all victims,  
especially those who have come forward in truth.  
May their courage teach us to defend the dignity of all human life  
and may the Diocese of Gaylord be ever vigilant  
in providing a safe environment for all your children.*

*We ask this through Christ, our Lord.  
Amen.*
