I have been to 6 World Youth Days (Denver, Paris, Rome, Toronto, Krakow, Lisbon). Each one was unique, spiritually fruitful and provided a vision of Church that was enriching. The experience of the young Church coincides with the energy, vibrancy and zeal of youth itself. My best advice for those considering our pilgrimage to Seoul, South Korea for the 2027 World Youth Day is an echo of what Jesus said to the disciples who asked him where he stays... “Come and see”.
